Click on "Contacts tab" for viewing additional contact information listed on the student file.

Under FERPA any information that will identify the student will be blurred.

eCST - Student Profile Page

The following information is available on the Student Profile page:

1. **Basic Demographics** - name, ID, school, enrollment status, teacher, grade, age, data of birth, sex, ethnicity, home language, correspondence language, parent, home address and phone numbers. Additional contacts on the student file are listed in the "Contacts" tab.
2. **Associated students** - It lists all students related and unrelated but currently living with the student in the same residence.
3. **Health** - hearing and vision exam results.
4. **Programs** - lists the enrolled roster based program names. Student progress will not be monitored in these roster-based programs.
5. **Monitoring Groups** - lists the enrolled roster based program names. Student progress is actively monitored in these roster-based programs.
6. **Active Interventions** - lists all the active interventions set by the teachers
7. **Notifications** - lists one/more of the following notifications: 504, at-risk, dual language (two way), dual language (one-way), SRO, G&T, homeless, immigrant, SpEd (speech), SpEd (non-speech), ELL, medical diagnosis, medically fragile, retained, speech therapy, unaccompanied youth.
8. **Dashboard** - Displays year-to-date attendance, discipline and failed courses information. In addition it displays RITS score for middle and high-school students. RITS score is a combination of attendance, discipline and course failure. The lower the score the better is the student performance. RITS score is calculated every six weeks (reporting period).
9. **Current Assessments** - lists all the state and district test results.
